2009—What a Year!

It's nearly the end of 2009 and what a year its been!. We've run a wide range of courses this year and welcomed many new students. We've set up our dive club which has been a huge success with many members reaping the benefits. We've teamed up with a dive centre in Ibiza and dived the fantastic Scapa Flow (Have I mentioned we've got places for the 2011 trip available—though not many!). We've had some fantastic offers throughout the year and noticed a significant interest in career change packages. We've seen a steady increase in dive team—which is always good!. So all that's left to say is **MERRY CHRISTMAS & A HAPPY NEW YEAR!**

MATT'S DEAL OF THE MONTH
15 % off PADI Advanced Open Water, Rescue or Divemaster courses when booked before January 2010 (courses to be taken during 2010)

Perfect Christmas Present
 Want to buy someone a present that is a bit different this year? Why not buy a **Discover Scuba Diving Course for just £25. It's something a bit different and is an ideal stocking filler or present. Your gift is presented as a DVD box set and voucher and is available from the shop now!. Don't forget we also sell gift vouchers if your friends and family are already divers—that way they can choose their own gift.**

Don't forget **Splash & Dash** on a Monday night. Come and splash in the pool for just £5, Kit hire is included, we kick off from 7pm in the shop. Have a splash in the pool then dash of home or to the pub!

Dive Trips 2010

We're still putting together the dates for next years' dive trips, and as soon as we have any info we'll post it on the website and on the newsletters.

We are currently putting together a dive trip to Ibiza which will take place around 11th—18th May. Again, as soon as we have any information we'll update the website and newsletters.

We look forward to seeing you next year for some more fantastic diving!

Acknowledgements

A BIG thank you to all the Dive team for their continued support throughout 2009.

Don't forget we also offer the following services:

- > Free Air Fills
- > Cylinder testing
- > Suit repairs
- > Regulator servicing and repairs
- > Dive computer/watch servicing/ repairs including battery replacement
