Trying Times at the NEC

A great time was had by all at the Boat Caravan and Leisure show at the NEC in February!. We were there again running the try dive pool, only this year we offered photos to customers as well. We had a great team helping out and as the week went on it got busier and busier with 400 try dives over 2 days. We were well stocked with chocolate muffins for those much needed sugar rush moments!. All of the team commented on what a great week it had been and really enjoyed themselves—result!

SET FOR THE NEW SEASON

Whilst us die hard divers continue to splash all year, there are those who prefer to dive only when the weather is a tad warmer (anyone would think we've just had a really cold winter!). Well the new season is nearly upon us so why not dig out that dive kit and come for a splash?

We still have places for Scapa Flow in September 2011 but don't wait too long—many places have already been taken.
