Trip to Paignton

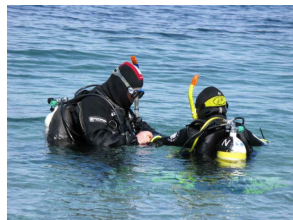

A fantastic weekend was had by all at Paignton and Brixham. With a good turnout and brilliant weather the excellent vis put the icing on the cake. We started the weekend at Paignton where we saw dogfish, Wrasse, starfish and many more with vis more than 10 metres. Our next dive was topped off with the seabed full of mussels. We then moved round to Brixham the following day and vis was again around 10 metres and the sea flat. We saw plenty more fish and also the scallop beds and plenty of lobsters. It was all happening on the surface when a seal came

TO THE BEACH IT IS

After the success of the Paignton trip we decided to complete the latest Open Water Course in Paignton. Yet again it was a great success. All of the students thoroughly enjoyed completing their training in the sea and couldn't believe just how much sea life there is to see in the UK. Once the training dives were completed we then had a couple of pleasure dives. With such a positive response we will be returning to the coast to complete courses in the future.

MATTS DEAL OF THE MONTH

Advanced Open Water for just £199.99!

This months Issue

- > Trip to Paignton
- > Matt's deal of the month
- > To the beach it is
