The Changing of the Season

What a summer!

The weather may not have been great but the diving has been! We've enjoyed more trips to the coast than ever before with both shore and boat diving. We've dived the HMS Scylla, James Eagan Lane and many more, all on the south coast.

We've seen seals whilst teaching Open Water at Babbacombe and all the usuals you'd expect to find in our fantastic waters. We're coming into the Autumn now and the diving is set to continue. We've got a fantastic offer for those that want to be able to continue to dive all year round in 'Matts deal of the month'. The trips will continue come rain or shine—we'll keep you posted!
